1. Technical Skills

Score: 75/100

Sr. No	Topic Name	Remarks	Resources

The candidate demonstrates a strong understanding of project development concepts and has experience in handling high-volume, low-latency applications. However, there is a need to enhance understanding of specific project requirements for better alignment.

2. Behavioural Skills

Score: 80/100

Sr. No	Topic Name	Remarks	Resources

The candidate excels in communication skills but could benefit from improving their grasp of role-specific terminology to enhance overall effectiveness in a professional setting.

3. Problem-Solving and Critical Thinking

Score: 70/100

Sr. No	Topic Name	Remarks	Resources

The candidate showcases sound problem-solving abilities, but there is a requirement to enhance the structuring of solutions for more organized decision-making processes.

4. Cultural Fit

Score: 85/100

Sr. No	Topic Name	Remarks	Resources

The candidate exhibits a good fit in terms of teamwork and collaboration, with slight room for improvement in adapting seamlessly to new team environments.

5. Work Experience and Achievements

Score: 90/100

Sr. No	Topic Name	Remarks	Resources

The candidate's work experience and achievements reflect strong performance, showcasing valuable contributions and practical application of skills in professional settings. EXIT 0
